

CONNOR ORTON

Aspiring Games Developer

PORTFOLIO HIGHLIGHTS

PIXEL PINBALL ARCADE UNITY ANDROID ARCADE GAME

2020

Pixel Pinball Arcade is an android arcade game compatible on most android devices and has been published on the google play store for free.

RPG MECHANICS ASSET PACK UNREAL ENGINE 4 ASSET PACK

2017

I created an RPG mechanics asset pack inspired by the 'Pokemon' game franchise which contains all the gameplay features of those games written in Unreal Blueprint.

TOWER DEFENSE GAME DEMO UNREAL ENGINE 4 GAME DEMO

2016

A tower defense game demo created in Unreal Engine 4 that contained real time combat with player abilities alongside base building mechanics.

DASH AND STACK UNITY ANDROID ARCADE GAME

2015

An android game created in unity with a friend. We both worked on the art and programming. A remake of the classic arcade title 'Stacker'.

SOFTWARE SKILLS

Unity 2021	●●●●●●●●
Unreal Engine 4	●●●●●●●○
Visual Studio	●●●●●●●○
Visual Studio Code	●●●●●●○●
Photoshop	●●●●●●●○
Source Control	●●●●●●●○

I am a highly motivated, passionate and dedicated individual whos dream is to build a succesful career in the games industry.

I have been interested in video games and how they are designed, developed and executed since an early age.

I have experience using most industry standard software and I understand multiple programming languages that relate to video games development.
