CONNOR ORTON BSC

Games/Applications Programmer

I am a graduate of Games Production BSc where I achieved first class honours. I have taught myself several programming languages by using books, online courses and apps. I am looking for a role as a programmer developing games or software applications.

I specialise in C# but I am always enthusiastic to learn and develop on my existing skill set. I have experience with most industry standard software such as Unity, Unreal Engine, GitHub Desktop and many more.
